

A PROVEN SPACE FOR FILM, TELEVISION & LIVE EVENTS

Meadowlands Arena has emerged as a premier destination for film production, concert rehearsals, and live-event preparation. With its expansive scale, flexibility, and professional infrastructure, it offers a trusted setting for high-level productions.

WHY PRODUCTIONS CHOOSE MEADOWLANDS ARENA

CONTROLLED, LARGE-SCALE ENVIRONMENT

A 25,000SF indoor arena designed for large productions without weather or public interference.

PRODUCTION-READY INFRASTRUCTURE

In-house power, extensive rigging capacity, and full-size loading docks support complex technical builds.

TECHNICAL CAPABILITIES

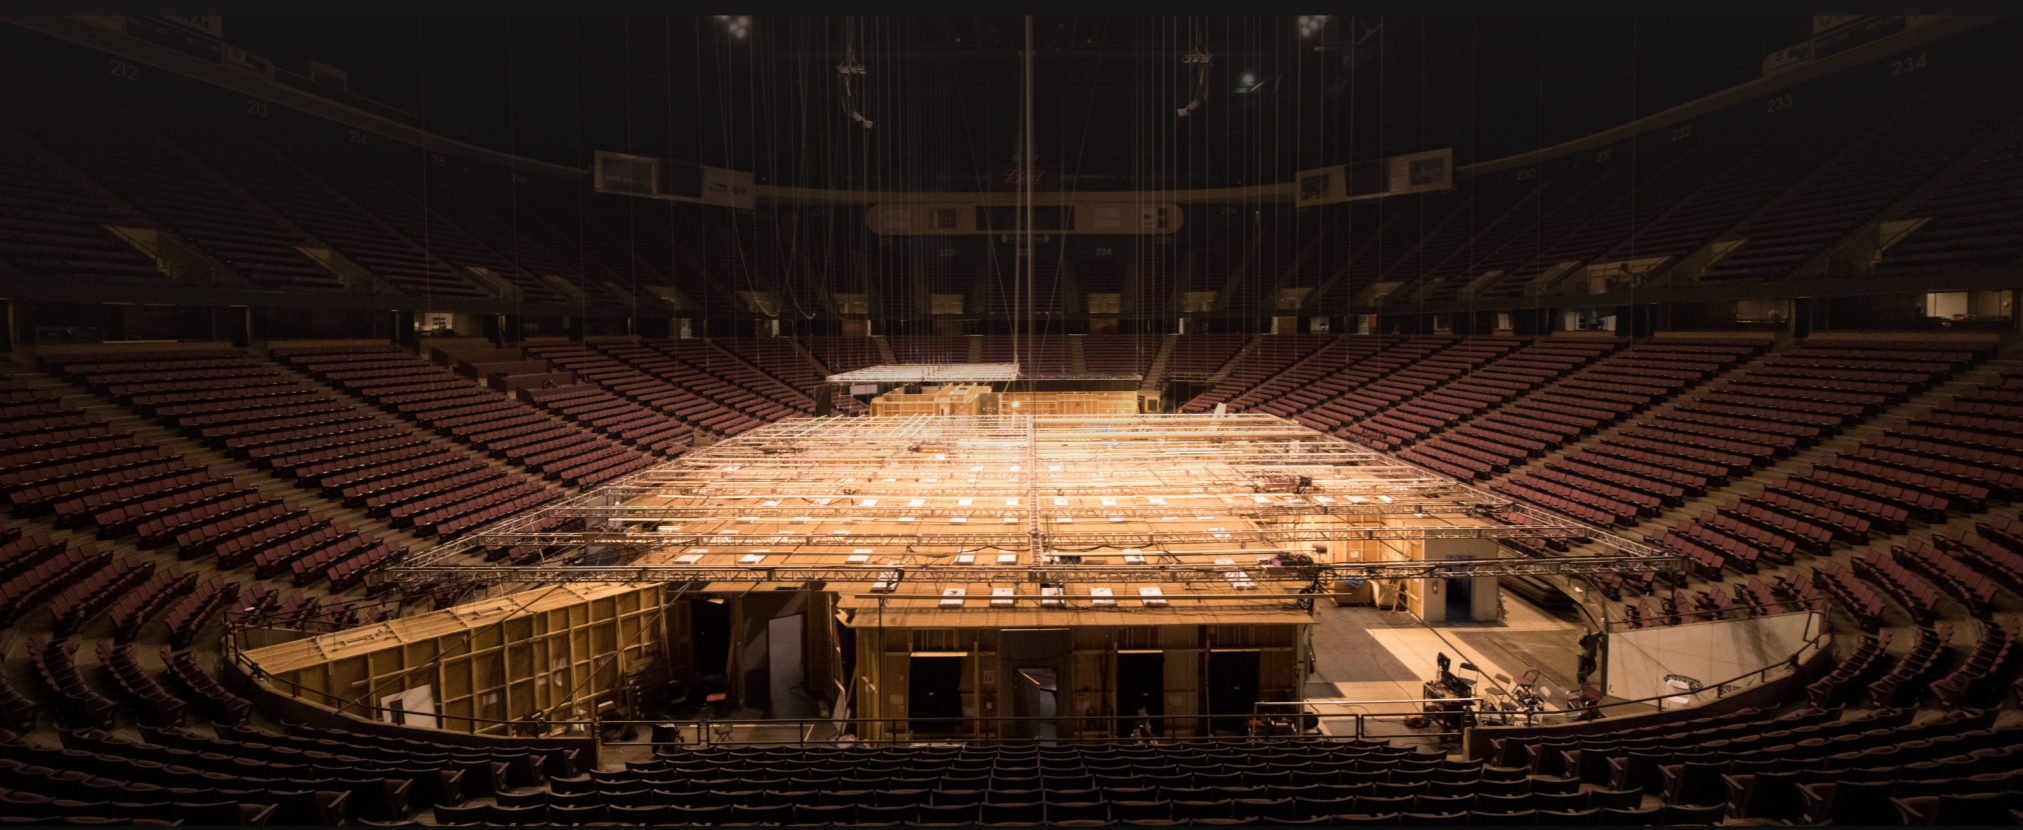

Rigging up to 130' low steel (90,000 lbs. max with approval), and in-house power.

BACK OF HOUSE

12 private dressing rooms at arena floor level, efficient load-in/load-out flow, and production support spaces.

PRODUCTION SUPPORT

Established union labor framework, 24/7 security and command center, parking crew on site, and proximity to hotels, hospitals, and production services support smooth operations.
