

2026 Hackensack River Pontoon Boat Tour Registration Form

Enjoy a guided pontoon boat tour along the Hackensack River and its marshes. An experienced tour guide will talk about the history of the river and its tributaries, including its natural and man-made features, and look for birds and other wildlife that inhabit the marshes. The free, leisurely tours are a great way to see nature up-close and gain a new appreciation of the natural beauty of the Meadowlands and its unique urban eco-system.

Boat tours last approximately 2 hours and leave from River Barge Park in Carlstadt. Pre-registration is required. Pontoon boats hold up to 10 people. Group trips are also available. No children under 10 or animals allowed.

Due to overwhelming demand, reservations will not be held until we receive your registration form. A confirmation letter, waiver and directions to River Barge Park will be sent via email to you once we receive your registration. The waiver must be signed by each passenger or guardian and returned to the captain prior to boarding.

For more information, to check availability, or to arrange group tours, please email pontoons@njsea.com or call 201.460.4677.

Inclement Weather: *In the event of bad weather, boat tours may be canceled. We will do our best to reschedule. You will be contacted via phone or email.*
