1.12 Pay to Play Prohibitions

1.12.1 New Jersey law insulates the negotiation and award of State contracts from political contributions that pose a risk of improper influence, purchase of access or the appearance thereof. P.L. 2005, c.51, as amended by the Elections Transparency Act, P.L. 2023, c.30, codified at N.J.S.A. 19:44A-20.13 to 20.25 ("Chapter 51") and Executive Order 333 (2023).

Pursuant to N.J.S.A. 19:44A-20.13 et.seq. (P.L. 2005, c.51, rev. P.L. 2003, c.30), a "fair and open process" means, at a minimum, that the contract shall be: publicly advertised in newspapers or on the internet website maintained by the public entity in sufficient time to give notice in advance of the contract awarded under a process that provides for public solicitation of proposals or qualifications and awarded and disclosed under criteria established in writing by the public entity prior to the solicitation of proposals or qualifications; and publicly opened and announced when awarded. A contract awarded under a process that includes public bidding or competitive contracting pursuant to State contracts law shall constitute a fair and open process. N.J.S.A. 19:44A-20.23. The agency conducting the procurement will need to determine whether the procurement meet the Election Transparency Act definition of a "fair and open process" and instruct vendors on the applicability of Chapter 51.

1.12.2 For Contracts Awarded Pursuant to a Fair and Open Process – Pursuant to P.L. 2005, c. 51, as amended by the Elections Transparency Act, P.L. 2023, c. 30, codified at N.J.S.A. 19:44A-20.13 to 20.25 ("Chapter 51"), and Executive Order No. 333 (2023), contracts awarded pursuant to a fair and open process do not require a certification or disclosure of any solicitation or contribution of money, or pledge of contribution, including in-kind contributions.

1.12.3 For Contracts Awarded Pursuant to a Non-Fair and Open Process – Pursuant to N.J.S.A. 19:44A-20.13 et.seq. (P.L. 2005, c.51, rev. P.L. 2023, c. 30) and Executive Order 333 (2023), the State shall not enter into a Contract to procure services or any material, supplies or equipment, or to acquire, sell, or lease any land or building from any Business Entity, where the value of the transactions exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a Continuing Political Committee or to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor or Lieutenant Governor during certain specified time periods. It shall be a breach of the terms of the contract for the Business Entity to:

- (1) Make or solicit a contribution in violation of the statute;
- (2) Knowingly conceal or misrepresent a contribution given or received;
- (3) Make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution;
- (4) Make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate or holder of the public office of Governor or Lieutenant Governor;
- (5) Engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of the Legislation;
- (6) Fund contributions made by third parties, including consultants, attorneys, family members, and employees;
- (7) Engage in any exchange of contributions to circumvent the intent of the Legislation;
- or
- (8) Directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the Contract, and any extension(s) thereof, at the time any such contribution is made.

A "Continuing Political Committee" means any political organization (a) organized under section 527 of the Internal Revenue Code; and (b) consisting of any group of two or more persons acting jointly, or any corporation, partnership, or any other incorporated or unincorporated association, including a political club, political action committee, civic association or other organization, which in any calendar year contributes or expects to contribute at least \$5,500 to the aid or promotion of the candidacy of an individual, or of the candidacies of individuals, for elective public office, or the passage or defeat of a public question or public questions, and which may be expected to make contributions toward such aid and promotion or passage or defeat during a subsequent election, provided that the group, corporation, partnership, association or other organization has been determined to be a Continuing Political Committee by the New Jersey Election Law Enforcement Commission under N.J.S.A. 19:44A-8. A Continuing Political Committee does not include a "political party committee," a "legislative leadership committee," or an "independent expenditure committee," as defined in N.J.S.A. 19:44A-3.

Prior to awarding any Contract or agreement to any Business Entity pursuant to a non-fair and open process, the Business Entity proposed as the intended Contractor of the Contract shall submit the Two-Year Chapter 51/Executive Order 333 Vendor Certification and Disclosure of Political Contributions for Non-Fair and Open Contracts, certifying either that no contributions to a Continuing Political Committee or to a candidate committee or election fund of a gubernatorial candidate have been made by the Business Entity and reporting all qualifying contributions made by the Business Entity or any person or entity whose contributions are attributable to the Business Entity. The required form and instructions, available for review on the Division's website at <http://www.state.nj.us/treasury/purchase/forms/eo134/Chapter51.pdf>.

P.L. 2023, c.30) if in a calendar year the contractor receives one or more contracts valued at \$50,000.00 or more. It is the contractor's responsibility to determine if filing is

necessary. Failure to file can result in the imposition of penalties by ELEC. Additional information about this requirement is available from ELEC by calling 1(888)313-3532 or on the internet at <http://www.elec.state.nj.us/>.

1.14 New Jersey Equal Pay Act

Allen Equal Pay Act, which was signed into law by Governor Phil Murphy on April 24, 2018, a contractor performing “qualifying services” or “public work” to the State or any agency or instrumentality of the State shall provide the Commissioner of Labor and Workforce Development a report regarding the compensation and hours worked by employees categorized by gender, race, ethnicity, and job category. B. **TERMINATION FOR CAUSE** The Authority may terminate this agreement in whole or in part at any time if the Contractor has materially failed to comply with terms of the Agreement. In the event of such failure, the Authority shall promptly give written notification to the Contractor of its intent to terminate and the reasons thereof. The Contractor shall have ten (10) days, or such additional time as the Authority in its sole discretion may grant, after receipt of notice to cure its failure. Upon a termination under Section B the Contractor shall be liable for any and all costs incurred by the Authority arising out of or related to the termination including but not limited to the cost of completing the Contractor's work.

The rights and remedies available to the Authority in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

XI. ENTIRE AGREEMENT

This Agreement, together with those sections of the Response referenced herein, and any subsequent writings agreed to by the Parties for Additional Services sets forth and constitutes the entire agreement between the Parties with respect to the subject matter hereof, and supersedes all prior agreements and understandings between the Parties respecting the subject matter hereof. This Agreement may not be released, discharged, amended, or modified in any manner except by an instrument in writing signed by each of the parties.

XII. ASSIGNMENT

Contractor shall not sell, transfer or otherwise dispose of this Agreement or its interest therein to any other party without the prior written consent of the Authority. Contractor shall not without the prior written approval of the Authority, assign or subcontract any of the Project Services under this Agreement. The foregoing notwithstanding, this Agreement shall be legally binding upon, inure to the benefit of, and be enforceable by the parties hereto and their assigns, successors, legal representatives, heirs and devisees as the case may be.

XIII. AFFIRMATIVE ACTION

The parties to this Agreement do hereby agree that the provisions of N.J.S.A. 10:5-31 *et. seq.* (P.L. 1975, c. 127) as amended and supplemented and the rules and regulations promulgated pursuant thereto and the provisions set forth in the State of New Jersey Equal Employment Opportunity Provisions for Professional Services Contract, as detailed in the RFP are deemed to be part of this Agreement as if set forth at length herein

In addition, Contractor agrees that the provisions of Title II of the Americans with Disabilities Act of 1990 (the "Act (42, USC § 12101 *et seq.*), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated thereto, are made a part of this Agreement. In providing any aid, benefit, or service on behalf of the Authority pursuant to this Agreement, Contractor agrees that the performance shall be in strict compliance with the Act. Contractor shall, at its own expense, appear, defend and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection herewith. If any action or administrative proceeding results in an award of damages against the Authority or if the Authority incurs any expense to cure a violation of the Act by Consultant, then Contractor shall satisfy and discharge the same at its own expense.

The Authority shall, as soon as practicable after a claim has been made against it, give written notice thereof to Contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the Authority or any of its agents, servants, and employees, the Authority shall expeditiously forward to Contractor every demand, complaint, notice, summons, pleading, or other process received by it or its representatives.

It is expressly agreed and understood that any approval by the Authority of the services provided by Contractor pursuant to this Agreement will not relieve Contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the Authority, pursuant to this paragraph.

Contractor expressly understands and agreed that the provisions of the indemnification clause shall in no way limit the Contractor's obligations assumed in this Agreement, nor shall they be construed to relieve Contractor from liability, nor preclude Contractor from taking any other actions available to it under any other provision of this Agreement or otherwise at law.

In addition, Contractor understands that it is under a continuing duty to disclose during the time of the Agreement all contributions made during the term of this Agreement covered under Public Law 2005, Chapter 51. Compliance with Public Law 2005, Chapter 51 is a material term and condition of this Agreement.

All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of the Parties and not for the benefit of any other party.

B. Precedence of Documents. In the event the Authority issues a purchase order or other instrument related to Consultant's services, it is understood and agreed that such document is for the Authority's internal accounting purposes only, and shall not operate to amend, supplement, modify, or delete any terms or conditions of this Agreement. In the event of any conflict between the terms and conditions of any such purchase order or other instrument and this Agreement, this Agreement shall take precedence.

C. Public Information. Contractor shall not release or publish any information or material generated from the Project to others outside of the Authority without the express written permission of the Authority.
